All drains are suitable for newbuilding and renovation of private homes, blocks of flats, hotels and other commercial buildings.

Well-known drains in new colours

You may already know our popular classic stainless-steel shower drains. These original **Water-Line** shower channels along with **triangular** and **square** floor drains now come also with a stylish black or a luxurious brass finish.

So now it is up to you to select your favourite shape and colour for your drainage solution.

The new Art Deco shower channel in timeless design

Do not forget the new BLÜCHER Art Deco shower channel - revolutionary in regard to design, expression, functionality, and installation.

With **BLÜCHER® Art Deco** we have rethought shower channels. In addition to its innovative and timeless design, it is easy to clean. The Art Deco shower channel comes in **stainless steel**, **black** or **brass** finish.
